

Mentee Guidelines

As a mentee, you have the unique opportunity to learn from some of the most experienced and knowledgeable entrepreneurs and professionals in the area. The mentorship program at the Hannah Grimes Center is designed to provide you with a structured, yet flexible way for you to learn from these mentors and take your business to the next level.

The Hannah Grimes Center finds it important to maintain a supportive, collaborative community for the mentorship program, which is why we have briefly outlined guidelines for participating mentees.

As a mentee in the Hannah Grimes Center mentoring program, I agree to:

- invest the necessary time and energy into maintaining a successful mentorship relationship

- ask clear, relevant, and specific requests of your mentor (think SMART: Specific, Measurable, Achievable, Relevant, Time-Bound)
- proactively build and cultivate the relationship with my mentor
- outline your and your mentors' preferred communication methods and time commitments
- maintain a professional atmosphere and relationship with your mentor
- communicate openly and honestly with my mentor
- honor my commitment to the mentor and the mentorship community
- uphold the provided Hannah Grimes Center confidentiality agreement
